

## 2017 Remembrance Day

The 11<sup>th</sup> November, 2017 marked the 99<sup>th</sup> anniversary of the Armistice which ended the First World War. Today, our school held a special assembly to commemorate, to remember, to honour and to give thanks to all our heroes, past and present for their services and sacrifices. We also thanked all the families who have lived through difficult times and for all their sacrifices.

Special thanks to our guest speaker, Warrant Officer Mark Mitchell from the Royal Australian Navy who shared a few words with us. A large number of students assisted with the assembly in their roles as ADF Cadets, wreath layers, dance performers, reciting poetry and organising the running of the program. Special thanks also goes to Mr Manning for playing the Last Post and Rouse, Mr Robinson for assisting with the ADF Cadets, Ms Skeggs and her art students for the amazing art decorations and wreaths, Ms Etherington for organising the music, Ms Jacobs for choreographing the dance performance, Ms Loeliger and Mrs Holt (photographers), Mr Vanderwey (video), Jacklyn Kerr, Angus Johnstone, Dave Dutton and Carolyn Mu (coordinator).

## New School Term Dates

From 2018, term and semester breaks will be in a 1,3,2,6 model compared to the current 1,4,1,6 model. This means a three week break in June/July and a longer two week break before Term 4, with the Christmas break the same at six weeks. Term 1 will run for 11 weeks, Terms 2 and 3 for 10 weeks and Term 4 for nine weeks.

The decision to change the school term dates is a direct result from feedback provided through the three rounds of consultation conducted throughout 2015 and 2016 by the Department of Education.

The new school term dates and holiday breaks have been approved for a five-year period, commencing in 2018. For further information please visit the [Department of Education](http://www.education.nt.gov.au) webpage.

## Healthy Eating for Students

Darwin Middle School is promoting health eating for our students in line with the Department of Education's Canteen, Nutrition and Healthy Eating Policy and Guidelines. To help support this students are not allowed to order pizza or other fast food deliveries to the school for themselves. If students do so, the food will be confiscated and parents will be informed. Poor diets which involve eating snack/junk foods that are high in sugars and fats in the short term have a direct negative

effect in student's performance in school and can contribute to lower achievements and behavioral problems in class. Parents who bring their child lunch to school are encouraged to provide them with a healthy option. For further information regarding this policy and guideline please visit the following link
