

Expression of Interest of Enrolment - Out of Priority Enrolment Area

Thank you for expressing an interest in enrolling your child at Darwin Middle School. As we are a zoned school, our priority acceptance is for students residing within our Priority Enrolment Area (PEA) or students completing Year 6 at one of feeder primary schools (Parap, Stuart Park, Larrakeyah and Ludmilla).

If Darwin Middle School is able to consider enrolment applications for students residing outside of the PEA, we will be in contact at the earliest opportunity. However, as this may not be until the end of the school year, we strongly encourage families enrol their student with their designated feeder middle school and attend any student orientation days or parent information sessions if available.

To register for your child as an out of feed enrolment application, please complete the following details and return to the Administration Office during school office hours, or email enrol.darwinmiddle@education.nt.gov.au.

Please note that completion and returning of this form is NOT an enrolment acceptance
