

### **Students of High Performance Application – In the Priority Enrolment Area**

Thank you for your interest in registering your child to apply for a place in the 2024 Students of High Performance (SOHP) class.

Students who are accepted into the SOHP program will be provisionally placed into the program in Term 1, 2023. Additional student academic and behaviour information will be collected throughout Term 1, 2023. Students' placement in the SOHP program will be confirmed at the end of Term 1, 2023 if they have continued to demonstrate evidence of meeting the program's academic and behaviour requirements. Students who are unable to get a confirmed placement will be moved out of the program into a different class at the beginning of Term 2, 2023 and are welcome to re-apply to enter the program at the end of 2023. Students who are unsuccessful in obtaining a place in the SOHP Program will be placed in a general class.

As part of your child's application for SOHP, please submit the following documents to Darwin Middle School before the end of Term 3 2023 (Friday, 23 September), as further evidence as to your child's suitability for SOHP classes:

- Semester 1, 2023 School Report (some families may have already submitted as part of their enrolment pack)
- Latest NAPLAN Report
- Signed permission form authorising the exchange of information of academic result and work evidence

These documents can be submitted to the Administration Office during school office hours or emailed to [enrol.darwinmiddle@education.nt.gov.au](mailto:enrol.darwinmiddle@education.nt.gov.au).

Students will also sit an online ACER- General Ability Test (<https://www.acer.org/agat>) as part of their application. This will be held during the Term 3 September/October school holidays. You will be contacted to confirm test date and time after submission of above documents.

If you have any questions regarding this process, or about the SOHP program, please contact Ms Rebecca Pan ([rebecca.pan@education.nt.gov.au](mailto:rebecca.pan@education.nt.gov.au)).

Sincerely

Marcus Dixon
