

Student Responsibilities towards your learning within the TLM

What have I **achieved**?

Have I done enough? **What more can I do** to reach my target?

Did I meet the **success criteria**?
Can I improve to show a higher level of understanding and how would I do that?

What do I need to do next?

REVIEW

Come to class **prepared** with all my equipment, books, pen, calculator, BYOD etc.

Come to class **on time** with a **positive attitude** to learn.

Greet my teacher **positively**.

- What will I be **learning**?
- What are the **learning intentions**?
- What will **success** look like for me?

ENGAGE

LEARN

Listen and participate in the learning activities.

Take notes from what my teacher is saying or demonstrating.

Create a vocabulary list of words I do not understand.

Ask questions to make sure I understand.

Be respectful to the teacher and my classmates.

PRACTISE

Set myself a target for where I want to be.

Practise the learning by myself or with my peers.

Help other students who may not 'get it' or ask other students for feedback on what I am doing.

– I will **ask my teacher or peers** for feedback.

– I will **use strategies** to help my learning.

– I will **remain on task** whilst working individually or in a group.

APPLY

How best can I demonstrate what I have learnt?

Talk to my teacher about the ways in which I would like to show what I have learnt.

What evidence do I have to show?
